

Directions to Timber Creek Retreat House

- Get on Hwy 69 and travel south to Louisburg. Take the Louisburg Exit (Hwy 68) & go left (east) through the city of Louisburg. Travel 4 miles east of Louisburg, where you'll cross RR tracks. You're now in Missouri. Shortly after the tracks is a T Intersection.
- Turn right (south) on Hwy D. Look at your odometer (at this point) & travel south on HWY D for 7 miles to JCT 00.
- As you approach JCT 00 you'll notice a fancy ranch (fenced in) called Dreamland Ranch. This is quite impressive! (no, it's not Timber Creek....yet). Look at your odometer and turn left (east) on JCT 00....Travel 3.7 miles to Lacy Road (gravel)
- Turn left (north) on Lacy for .8 of a mile to the 2 green mailboxes (marked 325th). This is our driveway. Turn right (east) down drive.
- You'll see a gorgeous cedar home as you enter our drive- sorry - that's not Timber Creek either. Continue down drive (past the cedar home) and you'll eventually approach a fork in the road. Stay LEFT, following the Timber Creek sign. Follow the winding path to our parking area.
